

Liopetro Wedding Venue

Liopetro is a unique venue unlike any other in the Paphos area and will enable wedding couples to experience a small slice of Cypriot history and culture in a typical Cypriot Village, allowing you to hold your wedding in an exclusive and totally private outdoor location with fabulous sea views. Wedding ceremonies are held on a large round stone terrace under a decorated gazebo which overlooks the sea. Drinks and canapés can be served after the ceremony in the shaded garden before moving on to your wedding reception area. The venue is tastefully planted with olive trees and shrubs and has fabulous mood lighting.

There are two beautiful old stone buildings on site dating from the 12th Century for which one is dedicated for exclusive use by the wedding couple, where the bride can get ready with the bridesmaids enjoying a chilled bottle of sparkling wine in a relaxed way. This venue can accommodate up to 200 people
